The Churndash

One Hundred Eighty-Two Day Solstice Challenge
Hosted by Pat Sloan At Ilovetomakequilts.com

I've been fascinated for years about starting a project on the Winter Solstice and ending it on the Summer Solstice. That is 182 days to focus on doing a project. Doing it together is way more fun than by myself, I'll post a block every Wednesday. Most will be 12" finished, but i might pop in something else.. I'm creating this as I go from my stash so you do the same... it's a grand experiment in FUN!

Somewhere along this journey I'll give you a setting.

Enter your email to get the notice of each new block, and join my online group to can share with everyone!

Are you ready for my solstice challenge?
