

In The Summer Time

Block 11/20

Fresh Fruit & Veggies

Hosted by Pat Sloan At Ilovetomakequilts.com

I definitely think that summer time has the best fruits and vegetables! My granny worked at the farmer's market so I have a love of summer markets.

When we travel I am constantly on the look out for the local Farmer's market, and it's a bonus if we are in town the day the stands are open.

I find it so fun to walk the markets and sample the goodies, plus take a few along.

Do you have a local fruit or vegetable stand you visit?
