

In The Summer Time

Block 18/20 – Smells of Summer

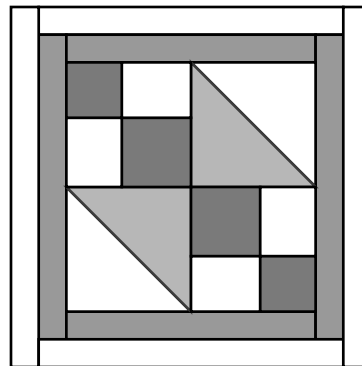

Hosted by Pat Sloan At Ilovetomakequilts.com

I was taking a walk the other day and I walked past several homes where they were cutting the grass and it smelled wonderful!

That got me to thinking about the summer time 'smells'. Like the gorgeous perfume of the Honeysuckle vine. We had one growing on the playground fence in our apartment complex. I vividly remember waiting for the blossoms to open so I could stick my nose in them to inhale the sweetness. More great Summer time 'smells' are food cooking on the grill, fresh cut sweet peaches, the cool ocean breeze .. swoon!

What summer 'smells' do you remember?
