

Block 18/25

On the Go!

One Hundred Eighty-Two Day Solstice Challenge
Hosted by Pat Sloan At Ilovetomakequilts.com

North, South, East, West... we are all on the go to somewhere to do something!

As I'm writing this I'm getting ready to travel to teach. That is part of my job, going out several times a year to give talks and classes at guilds or shows.

I also love to travel for fun. Having moved to Europe in 5th grade with my family, we were always taking a trip, which is how I named my fabric line 'Sunday Drive'. Nothing better than jumping in the car to take a drive through the country. Maybe to see grandma, maybe for ice-cream, or maybe it's more planned like a vacation or a work trip! A great block to celebrate the On the Go nature of our lives!

The Solstice challenge spans 182 days between the winter and summer Solstice this year. We'll be making a quilt with 25 blocks... and Somewhere along this journey I'll give you a setting.

Enter your email to get the notice of each new block, and join my online group to can share with everyone!
