

In The Summer Time

Block 2/20 – Oh the Gardens!

Hosted by Pat Sloan At Ilovetomakequilts.com

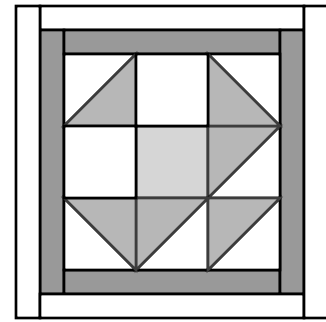

I live for flowers! My first garden was created in high school in our front yard, and very soon after I planted tomatoes in the back yard. I've planted things every since.

During the summer I love to visit garden centers, parks with flowers, and walk neighborhoods with amazing displays of happy flowers!

And of course fresh veggies and fruits are a must. Give me a fresh peach and you are my friend for life! Having neighbors that grow veggies means I come home sometimes to fresh tomatoes on my porch rail, or the zucchini that is so yummy (and prolific!)

Do you garden? Flowers? Fruit? Veggies? All three?
