## Day into Night Star

One Hundred Eighty-Two Day Solstice Challenge  
Hosted by Pat Sloan At [lovetomakequilts.com](http://lovetomakequilts.com)

Day ... into Night.... Then back into Day....

Or 2016... into 2017..... It's a neat way to mark a transition with a block that is half light and half dark

You can use 2 fabrics, or make it scrappy with the center rectangles different light/dark than the star points.  
This will make such a fun quilt to do with multiple blocks!

Block is 12.5" x 12.5"  
Finished Size 12"

The Solstice challenge spans 182 between the winter and summer Solstice this year. Well be making a quilt with 26 blocks... and Somewhere along this journey I'll give you a setting.

Enter your email to get the notice of each new block, and join my online group to can share with everyone!
