

Block 23/25

That One Item

Grandma's Kitchen Challenge

Hosted by Pat Sloan At Ilovetomakequilts.com

When I started this project I had that 'one item' that really kick started the idea, that is Granny's rolling pin. I feel so lucky that my Dad selected this for me to have from his mother's things. The funny part is Granny didn't really bake much once the grandkids came along. But I know she did when my Dad and Uncle were little boys.

SQUARE Block to 12.5" x 12.5"

Finished in the quilt is Size 12"

For my other grandma, Na-Na, my best memory is going to the 'city' to window shop at Christmas time.

The displays moved and sparkled with the holiday. Seeing a window display is really what ignites my memories of her.

I thought this would be a great block to have you think about 'That One Item' that triggers your best memories about your grandma.
