

Block 8/25

Never Ending Love

One Hundred Eighty-Two Day Solstice Challenge
Hosted by Pat Sloan At Ilovetomakequilts.com

One of my favorite images is a heart. In fabric, cut from fabric, on cards, plates, candy shaped, you name it ...every item can be made more amazing with a heart!

You might call me a romantic, my love affair with hearts is long and 'Never ending'. The show 'big love' I put a triple heart and the large is BIG!

TIP- you will need to trace a full shape from the 'half heart' Template

The Solstice challenge spans 182 between the winter and summer Solstice this year. Well be making a quilt with 25 blocks... and Somewhere along this journey I'll give you a setting.

Enter your email to get the notice of each new block, and join my online group to can share with everyone!
