Taco Soup

Given to me by my friend Betty years ago. I've adjusted it a bit so that the 'Shipping Department' has enough 'meat' in it!

1lb of ground beef
1lb sweet Italian sausage
1 large onion
1 pkg of Taco Seasoning mix
1 pkg of ranch style dressing dry mix
2 16 oz cans of chili or pinto beans. I like to get chili beans that have the flavor, or you could do one of each
1 can of fire roasted tomatoes undrained
1 can of Rotel tomatoes undrained
1 small can of corn undrained
Up to 2 cups of water.

Cook the meat until browned
Brown the onion
Stir in the taco & ranch dry mixes to the meat/onion mixture
Add the beans, corn, and tomatoes, with the liquid

I then put about a ¼ cup of water in the bean cans to get all the flavor out and pour that in.

Check the amount of liquid. I usually end up adding in a ½ cup of water

Put in a crock pot for a few hours so all the flavors meld. I usually let it Cook for 4 to 6 hours.

Enjoy!
