

Project: Sweet Snowball Throw

INSPIRED BY "DODGE BALL" FROM DESIGNER PAT SLOAN  
QUILTMAKER: JAN RAGALLER

These big Snowball blocks go together quickly—just stitch small squares diagonally in the corners of each large square to make contrasting corner triangles. Frame a lap-size quilt with playful pieced borders, as shown here. These fabrics are from the Gypsy Rose collection by Fig Tree Quilts for Moda Fabrics.

1. Set aside four assorted cream print 2½" squares. Use a pencil to draw a diagonal line on wrong side of each remaining assorted cream print 2½" square and on each assorted peach, green, coral, and brown print 2½" square. (To prevent fabric from stretching as you draw the lines, place 220-grit sandpaper under each square.)

3. Referring to Diagram 2 for the direction of the drawn lines, repeat Step 2 to add assorted cream print 2½" squares to remaining corners of coral 8½" square to make a dark block. The 2½" squares need not match, but they should contrast in value with larger square. The dark block should be 8½" square including seam allowances.
4. Repeat steps 2 and 3 with remaining assorted coral and brown print 8½" squares and assorted cream, peach, and green print 2½" squares to make 11 dark blocks total.

Sew on drawn line; trim excess fabric, leaving  $\frac{1}{4}$ " seam allowance. Repeat on opposite end using another marked print 2½" square. (The squares do not need to match or offer as much contrast in value as in the blocks.) Press open attached triangles to make a border unit. The border unit should be 2½×8½" including seam allowances. Repeat to make 11 border units total.
2. Referring to Quilt Assembly Diagram, sew together two border units and three peach print 2½×8½" rectangles to make a top inner border strip. Press seams toward rectangles.
