Good Friends are
like Stars

You don't Always
see them
But you Know they
are there

=====

Emilie's book
"Happiness Key" is the
inspiration for this quilt.

My dream is to live by the
sea, which is where this
story is set.

Our mystery quilt is a mix of
summer, friends, quotes
and a bit of the sea...

(ps.. lakes are good too!)

Boat Construction

=====

- Trace Happiness onto the boat body and stitch now or later
- See next page for post position on the background

(1) Tuck the inside of the boat UNDER the boat itself

(2) Place the END of the boat over the boat/inside

(3) Place the FRONT of the boat on top of the right side

(4) Place the mast and the sail either behind the boat, or in the boat.. no right or wrong way.. just see which you like!

Boat Placement

- 1- Bottom of boat is 1.5" from the edge
- 2- Left end of the boat is 2" from the edge
- 3- Sail is 1" from the left side

Cut away the background BEFORE stitching the heart. This way your background won't 'Shadow' through the white sail!

Boat Placement

After I applied the sail, I VERY carefully cut away the background so it would not "shadow" through the white sail fabric.

I applied the HEART after I cut away the background
