Block 11/17 – Under the Mistletoe

Hosted by Pat Sloan At Ilovetomakequilts.com

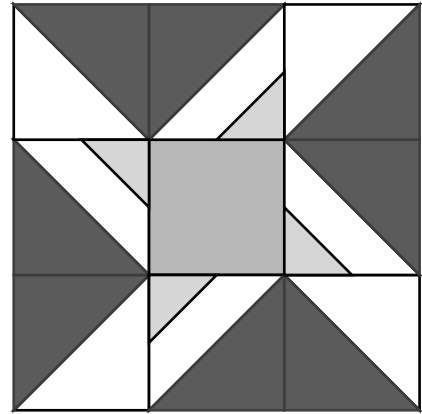

My grandmother always hung mistletoe in the one doorway that we all had to go under. As a kid it was a game to 'not get caught' standing under it as someone would grab us for a kiss, usually Granny!

This got me to thinking about mistletoe, how did hanging it come about? It's actually a very ancient tradition to kiss under the mistletoe as it will bring good luck.

I think a mistletoe ball is so festive with the green leaves and white berries, topped off with a red bow and hang it where you HAVE to walk under it, wink!

Does your family hang Mistletoe?
