## Block 12 – Riding Bikes

Hosted by Pat Sloan At [ilovetomakequilts.com](http://ilovetomakequilts.com)

Let's go ride! How many times did you say that to your friends? My first bike was for a little girl, the tiny bike. Mom said that it squeaked and squeaked, until a neighbor couldn't stand it any longer and came out to oil my bike.

**Block is 12.5" x 12.5"**  
Finished size 12" x 12"

One super fun game we played was to turn our bikes up side down. Then we would rotate the pedals and pretend the bike was 'something else'... like an Ice-cream truck. I have such vivid memories of doing that!

After we moved to Germany my brother got a bike but I didn't. So I shared his and took rides along the cobblestone streets to the bakery or candy shop.

What bike memories do you have?

Enter your email for my notice of each new block release & join my online group to share with everyone!

## Cutting Directions
