Block 12/17 – Ornament Collection

Hosted by Pat Sloan At Ilovetomakequilts.com

Raise your hand if you have an ornament collection! I might have started very young with this when my grandparents gave me an ornament. When we moved to Germany my mom and I spent hours looking at all the amazing Christmas Ornaments, then we would select one to bring home.

Later I began picking up meaningful Hallmark ornaments and couldn't wait to see what was out each year.

Today I have a small collection of special ornaments to hang. My white reindeer and the teeny tiny Nativity in a nutshell are my vary favorites.
