Block 14/17 – Elf on the Shelf

Hosted by Pat Sloan At Ilovetomakequilts.com

Are you a fan of Elf on the Shelf? I grew up with felt Elves that hung on my grandma's tree. She also had ceramic elves. At that time they were just cute Santa's helpers and didn't have a life of their own.

The Elf on the Shelf: A Christmas Tradition is a children's book written in 2005 by Carol Aebersold and her daughter Chanda Bell. The story tells how Santa's "scout elves" hide in people's homes to watch over the day's events. Once everyone is asleep, the elf flies back to the North Pole to report to Santa the activities in your, good and bad.

I kind of think it's all great fun, I would have loved this story as a kid!
