## Block 18/20 – Secret Gardens

Hosted by Pat Sloan At [Ilovetomakequilts.com](http://Ilovetomakequilts.com)

There are SO many gardens, from very formal to casual. Awhile back I did a whole sew along called 'A Secret Garden' and shared many gardens around the world.

But the best part about a secret garden is that it does not need to be famous and you don't need to go far. I imagine there is one right in your area. A little oasis tucked away at the end of the park. Maybe at a public facility there is one, or you might be lucky enough to have a secret garden of your very own. Let me know if you do!

**Blocks are 12.5" x 12.5"**  
Finished size 12" x 12"

Substitute 'quilter' and this quote is me, I quilt so I can create flowers!

I perhaps owe having become a painter to flowers. – **Claude Monet**
