

A Flower Bouquet

Block 2/20 – Bulbs

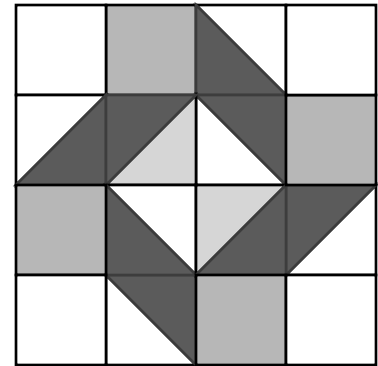

Hosted by Pat Sloan At Ilovetomakequilts.com

The best thing about a bulb is that they come back. Spring means Daffodils. I bought a pot of tiny Daffodils one spring so many years ago I can't remember. I planted it near my front porch and these are the first blooms I see each year. The little bundle of yellow will pop up through the leaves I didn't rake and through a late snow. They are so sweet.

When I lived in Europe we visited Kuekenhof Gardens and my never ending love of Tulips, Gladiolus, and Iris began, flowers you plant once and then they come up again and again! I have planted them in every garden I've had.

Life begins the day you start a garden. – **Chinese proverb**
