## Block 20/20 – Quilted Garden

Hosted by Pat Sloan At [Ilovetomakequilts.com](http://Ilovetomakequilts.com)

**Blocks are 6.5" x 12.5"**  
Finished size 6" x 12"

Have you longed to take all the gorgeous colors and splash them onto your quilts? I know I have! A quilted garden can mean we have colors in our fabric like a garden does. You might have a fabric with flowers on it. How about appliqued flowers, birds, and garden sheds on our quilts? Or you might even plant a garden in a quilt pattern.

Somehow we quilters manage to weave gardens into quilts. I thank you for sewing my Block Wednesday 'A Flower Bouquet'. I can't wait to see your finished quilts!

If you've never experienced the joy of accomplishing more than you can imagine, plant a garden.
