Block 3 – A Cozy Nook

Hosted by Pat Sloan At llovetomakequilts.com

We all need a cozy corner. It's your favorite spot to take a break, stitch, watch tv, read a book. It's that place where it's peaceful. Maybe you can look out the window and watch the birds at the feeder. Or maybe it is a corner of your bedroom where you can hide away to take a quiet break. This doesn't have to be inside! How about a cozy fire pit, or a beautiful gazebo or bench in your garden? It might even be the local coffee shop where you can sip coffee and people watch.

Block is 12.5" x 12.5"
Finished size 12" x 12"

Identify your cozy spots today, make them if you don't have one yet.
