

Block 3/25

Key Holder

Grandma's Kitchen Challenge

Hosted by Pat Sloan At Ilovetomakequilts.com

I imagine more homes than just my grandma's had a key holder in the kitchen. It was where the car keys went, the key to the shed, and I'm sure my grandpa Pappy had keys for other things too! As I child I was endlessly fascinated by those keys hanging up there. When little I couldn't quite reach them, which I'm sure was by design, they didn't want to have to hunt for the keys. Later when Pappy got ready to pick up Granny from work, we'd follow him into the kitchen where he selected the keys for the car.

SQUARE Block to 12.5" x 12.5"
Finished in the quilt is Size 12"

My Granny was a quiet lady. She didn't talk a whole lot, but she did have a sense of humor. The key holder she used had a 'Dog House' section on it. When Pappy was 'in trouble' his keys were put in the dog house. We would often go and check to see the status, haha! I think Pappy sometimes put his keys there so we'd giggle like crazy about the joke of him putting himself in the doghouse.

Anyone else have a place for keys? I might need to get one!

My Grandma's Kitchen challenge runs - June 28, 2017 to Nov 22, 2017.

We will be making a quilt with 25 blocks... and Somewhere along this journey I'll give you a setting.

Enter your email to get the notice of each new block, and join my online group to can share with everyone!
