## Block 4/20 – Gazebos

Hosted by Pat Sloan At [Ilovetomakequilts.com](http://Ilovetomakequilts.com)

My friend Brenda has a garden Gazebo which I love so much! Ever since I saw it I've been a little obsessed with them. I even designed one for the Fat Quarter Shops 2015 designer mystery. Link to the pattern pack at my website article.

**Block is 12.5" x 12.5"**

Finished size 12" x 12"

What makes a great garden Gazebo? I love them to be white, and not too big. It will be rimmed with flowers, maybe a lot of roses. And there needs to be a little stone pathway up to it. Add wicker furniture, a pitcher of ice tea and it will be a perfect oasis in the back yard.

I think this is true for quilting too 'Quilt as though you will live forever'
