## Block 4 – The Splendor of Nature

Hosted by Pat Sloan At [llovetomakequilts.com](http://llovetomakequilts.com)

Getting out in Nature to experience the sunshine, flowers, falling leaves, first snow, the mountains, water and all that is nature is cozy all year long. You'll see being outside in nature is #1 in all Hygge books and I so agree! Take a walk in the park, see the mountains/desert/ocean, dine outside, feel the light rain, and smell the first spring flowers. I need to get myself outside for my walks again, even if just for 15 min. It's time to move around!

**Block is 12.5" x 12.5"**  
Finished size 12" x 12"
