Block 5 –How Tall am I?

Hosted by Pat Sloan At ilovetomakequilts.com

How does a house become a home? With those little things that make it personal and special to our family, like, having a height Chart. Those little tick marks on the edge of the door. Names, smiley faces, the month/Year and of course, different color pens for each kid. Or maybe it was more formal with a printed chart that hangs on the wall. I wish they had those when I was a kid!

What memories do you have of marking the years you, your kids, or grand-kids have grown taller and taller?

Block is 5.5" x 17.5"
Finished size 5" x 17"
