Block 6/17 – Put a Star on it

Hosted by Pat Sloan At Ilovetomakequilts.com

Stars play such an important role for Christmas.

Stars have always inspired me. I've used stars in my home decorating and on quilts for as long as I can remember.

I adore a star on the top of the tree, Stars as ornaments, on wrapping paper, and a string of twinkling lights at night is like looking up at the night sky.

Let's not forget putting stars on pillows, runners, and on quilts. Always stars on quilts.

Do you decorate with stars? During the holiday or all year? Let me know!
