## Block 6/9 –

### Reading a Book by the Fireplace

Hosted by Pat Sloan At [Ilovetomakequilts.com](http://Ilovetomakequilts.com)

**Block is 12.5" x 12.5"**  
Finished size 12" x 12"

In 2nd grade we were rewarded for how many books we read.  
In 5th grade I discovered the library, the wonderful, glorious library!  
In high school my mom then let me buy my own mysteries,  
Agatha Christie was a favorite.

From there I launched into so many more read over my lifetime. The idea of a roaring fireplace, a cozy quilt, and a book sounds divine. I've never actually done this, have you?

My Granny had a fake fireplace she moved around the living room and our home has a fireplace but we never use it.

I think I'll book us into a lodge this winter so I can sit by the fire with a quilt, a drink, and a book.
