## Block 7 – Cozy Sounds

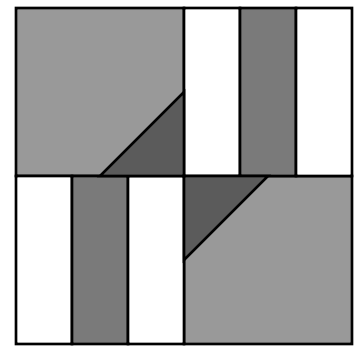

Hosted by Pat Sloan At [llovetomakequilts.com](http://llovetomakequilts.com)

Sounds are so powerful. Like music, which can immediately transport us to some other place and time. How about the sound of walking on a country gravel road. For me it's the sound of the wooden screen door closing, the creak, then slight banging as it shuts.

I can see the green screen door at my great grandmother's home every time I hear that sound. Maybe you love the sound of the coffee brewing, I do!

What sound is cozy to you?
