## Block 7/12 – The Bank

Hosted by Pat Sloan At [Ilovetomakequilts.com](http://Ilovetomakequilts.com)

My first experience with a bank was when I was planning to going to college. When I enrolled my parents set me up with a bank account, it was not a very exciting building, but I did feel very grown up.

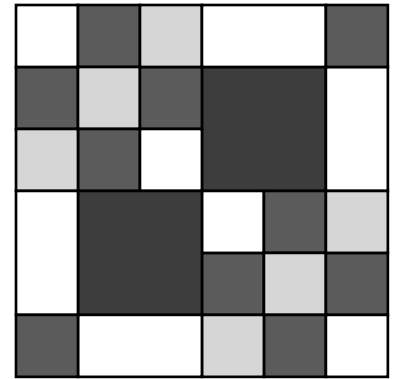

When I met my future husband, my mother-in-law worked at the bank.

So I had lots of visits over many years to the bank to see her or get

things. One bank she worked at was in a gorgeous building on the main corner of town right up the street from my grandparents. My one Grandfather did all his banking with my mother-in-law. Now our bank is just a few blocks away from where we live.

Do you have a bank in your town?
