Block 15 – Sweet Dreams

Hosted by Pat Sloan At Ilovetomakequilts.com

Block 8.5" x 8.5"

Finished size 8" x 8"

Our bedrooms are many things in our home. We think of it as a place to rest up for the next day, but it's so much more. During the pandemic did it become your office? Your gym? Family meeting spot? Maybe you read or even sew in your bedroom.

As a kid my bedroom was my little universe. I did my homework, dreamed, decorated it, had friends sleep over, and I did NOT dust it, much to the dismay of my mom.

When I visited my grandparents the room I slept in had an old makeup vanity that I was fascinated with. To this day I wish I had one!

No quilt makers in my family, so nobody had quilts. But they did have chenille bed covers, which I love!

Does your bedroom have a quilt?
