

'Home Is.'

Block 6 – Heart of the Home

Hosted by Pat Sloan At llovetomakequilts.com

Where does everyone end up? Time and time again, the heart of our home seems to be the kitchen! I have been to so many parties and people always end up hanging out in the kitchen, and a lot of them sit at our kitchen table to chat.

Block is 10.5" x 10.5"
Finished size 10" x 10"

I feel like our kitchen tables mean love. Not just love of food, but love of family and friends. We eat there, but we also have our most heartfelt talks, we do our homework, we laugh, and we have fun at that kitchen table.
