Directions

- 1- Trace all the shapes onto the Fusible.
- 2- Cut out the center of the fusible leaving a small basting rim. You can find a full set of directions in My 'Pat Sloan's Teach me to Applique' Book and I also have tutorial on My website.
- 3- Fuse each shape to the fabric. Then Cut ON the line for raw edge applique This is the final shape.
- 4- Fold your background square so you have the middle marked with a crease.
- 5- Position the flower pot, stem and All the flower pieces
- 6- Press with a hot iron to fuse in place Following manufacturer directions.
