Supply List for SETTING ONLY

Block Directions at the Learning Center

<http://quiltinggallery.com/learning-center/beginners-quilt-along/>

Sashing - 1 yd

Corner on Sashing and binding 1 1/4 yd

Side Triangle Setting fabric 1 1/4 yd

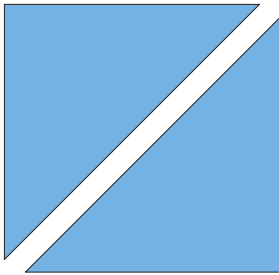

Rick Rack 14 yds

Cutting directions

Setting fabric

- Cut 4 squares 16" X 16"
- Cut in half on the diagonal

- Cut 2 squares 14" x 14".
- Cut in half on the diagonal for the ends.

Sashing

- Cut 36 Strips 2" x 12.5"

Corners

- Cut 24 squares 2" x 2"

Rick Rack

- Cut 37 strips 12.5" long

Rick Rack Sashing

Crease the 2" x 12.5" strips on the length

Draw a line of Glue on the crease

Position the rick rack, let dry.

Once dry straight stitch down the center or zig zag the rick rack to the strip.

For the side triangles I have given you oversized triangles. I prefer to trim it to size after the middle is sewn for a more accurate center.

This also allows you to 'float' the center if you like that look. Floating means you can trim so there is a 1/2" between the corners and the ends.

-Follow the Diagram NUMBERS to sew the center by diagonal rows.

-Sew 1/2 and 12/13 as a unit

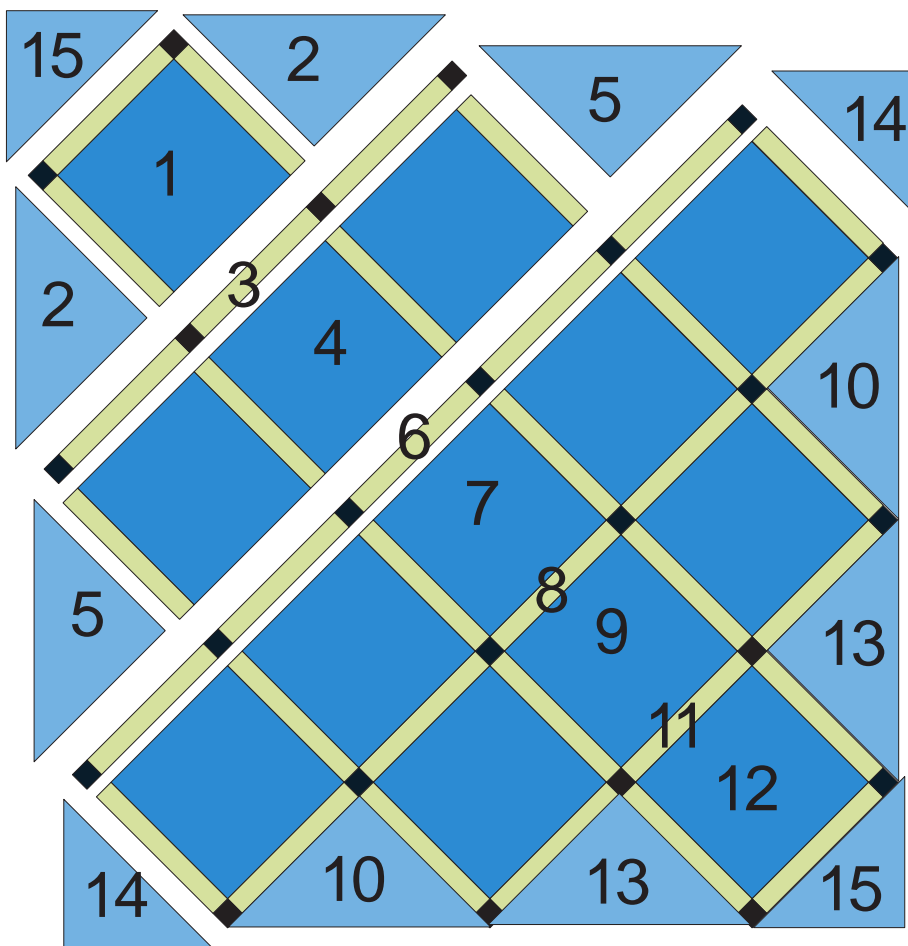

-Sew Strip and corner stone units 3, 6, 8 and 11.

-Sew strips to blocks 4, 7, 9

-Sew strip units to block units. 3 is sewn to 4, then the triangles (5) are added. Repeat for 7 and 9.

-Sew the horizontal rows.

-The 4 corners go on last, see next page

Add the 14 and 15 smaller triangles
Find the center for positioning.. see photo.
Find the Triangle center and the block center
Position the point of the corner triangle on the center, then sew the triangle to the end
Repeat for all 4 ends sewing 14 first then 15

Square the center to approx 59.5" X 59.5"
your quilt might be a bit larger

When I square a quilt I use as large a ruler as possible and start with trimming the 4 corners. I find it helpful to use my mat lines at this time, see photo 1.

Then I trim the sides

You can see I'm trimming the edges 1/2" from the point to 'Float'. I find this is more forgiving if I need to straighten it some
