Join me

We as Quiltermakers, and as humans, are shocked by the invasion of Ukraine and want to help. I created this star within a star quilt block as a sign of strength. It is my hope that quilters worldwide will make this pattern as a show of support to our Ukrainian friends.

But more importantly I am asking that you donate when you download the block.

It will support children and their families in Ukraine. By making a donation, you'll be helping UNICEF provide access to basic services including water and sanitation, immunization and health care, schooling and learning, psychosocial support, and emergency cash assistance for up to 7.5 million children.

Thank you for your much needed support.
