How to Make Half Square Triangles

Sewing Half Square Triangles Units (HST)

1. Cut a light blue and red square 4" x 4". This method makes a slightly oversized block that you MUST trim to 3.5" square when done.
2. Each pair of light/dark squares makes TWO HST units.
3. Draw a diagonal line, as shown, on one square - diagram (1).
4. Layer a light and a dark square with the right sides together.
5. Sew a seam $\frac{1}{4}$ " on each side of the drawn line (2).
6. Cut apart on the drawn line so you have two finished HST units (3).
7. Open each HST and iron to the darker side.
8. Trim the block to 3.5" x 3.5" with a square ruler. Align the diagonal on the ruler along the seam of the block (4).

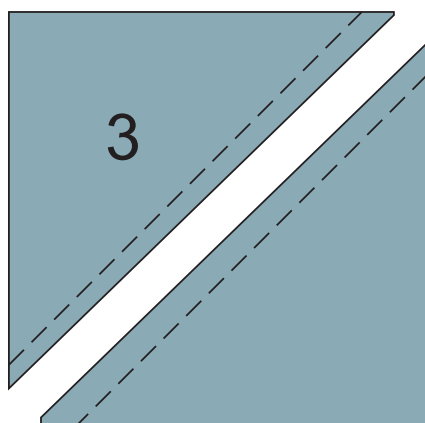

Layer 2 squares
right sides together
Draw a line as shown
on the fabric

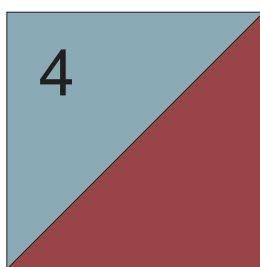

Sew a $\frac{1}{4}$ " seam
on either side of
the drawn line

**Make
48 HST
units**

Cut apart on the drawn line

trim to 3.5" x 3.5"
