Assemble Blocks

1. Set aside four assorted cream print 2 1/2” squares. Use a pencil to draw a diagonal line on wrong side of each remaining assorted cream print 2 1/2” square and on each assorted peach, green, coral, and brown print 2 1/2” square. (To prevent fabric from stretching as you draw the lines, place 220-grit sandpaper under each square.)

2. Align a marked cream print 2 1/2” square with one corner of a coral print 8 1/2” square (Diagram 1; note direction of marked line). Sew on drawn line; trim excess fabric, leaving 1/4” seam allowance. Press open attached triangle.

3. Referring to Diagram 2 for the direction of the drawn lines, repeat Step 2 to add assorted cream print 2 1/2” squares to remaining corners of coral 8 1/2” square to make a dark block. The 2 1/2” squares need not match, but they should contrast in value with larger square. The dark block should be 8 1/2” square including seam allowances.

4. Repeat steps 2 and 3 with remaining assorted coral and brown print 8 1/2” squares and assorted cream, peach, and green print 2 1/2” squares to make 11 dark blocks total.

(The squares do not need to match or offer as much contrast in value as in the blocks.) Press open attached triangles to make a border unit. The border unit should be 2 1/2x8 1/2” including seam allowances. Repeat to make 11 border units total.

2. Referring to Quilt Assembly Diagram, sew together two border units and three peach print 2 1/2x8 1/2” rectangles to make a top inner border strip. Press seams toward rectangles. The top inner border strip should be 2 1/2x40 1/2” including seam allowances. Add top inner border strip to top edge of quilt center. Press seam toward border.
